

EMERGENCY MEDICINE JOURNAL

The *Emergency Medicine Journal* (EMJ) is a leading international journal of developments and advances in emergency medicine. The journal represents all specialities involved in emergency care in the hospital and pre-hospital environment.

Packed full of relevant information

As the *Emergency Medicine Journal's* influence and impact factor have grown, quality submissions from around the world have dramatically increased. In order to keep you fully up to date, the *Emergency Medicine Journal* is published monthly and includes a dedicated pre-hospital section every month as well as the usual high quality emergency medicine papers.

Emergency Medicine Journal is the journal of the British Association for Accident and Emergency Medicine.
