

GUT

An International Journal of Gastroenterology & Hepatology

The best gastroenterology research

Gut is a leading international peer-reviewed journal which delivers up-to-date, authoritative, clinically oriented coverage of all areas in gastroenterology. Articles include first class clinical research of the alimentary tract, the liver, biliary tree and pancreas.

A broad reach

In each monthly issue we publish original articles by leading authorities, reports on the latest treatments for diseases, reviews and commentaries.

Gut publishes a series of articles aimed at trainees and consultants who want to refresh their knowledge. They are case based and designed to simulate bedside teaching.

Gut is a truly international journal with a global readership and editorial board and papers originating worldwide.

Gut is the official journal of the British Society of Gastroenterology.

Great online features and functionality

The *Gut* website contains all the content from the print version as well valuable online features that take advantage of the latest technology.

Find content quickly – Sophisticated searching, subject collections, email alerting, RSS feeds and full text links from cited references are all available on the site.
