

JOURNAL OF EPIDEMIOLOGY & COMMUNITY HEALTH

The health of communities. A wealth of information

The *Journal of Epidemiology and Community Health* (JECH) is a peer-reviewed journal which encompasses all aspects of epidemiology and public health. In each monthly issue we publish original research, opinions and materials concerned with the study and improvement of communities worldwide. JECH is a truly international journal with a good and rising impact factor (from 2.332 in 2003 to 2.836 in 2004).
