

# TOBACCO CONTROL

## The best of tobacco research

*Tobacco Control* (TC) covers the nature and consequences of tobacco use worldwide, the effect of tobacco use on health, the economy, the environment and society, the efforts of the health community and health advocates to prevent and control tobacco use and the activities of the tobacco industry and its allies to promote tobacco use.

## A broad reach

The journal includes peer-reviewed material of a high standard. In each bi-monthly issue we publish original papers, editorials and commissioned review articles and lots of additional material of interest to anybody involved in the world of tobacco control.

TC is a truly international journal with a global readership and papers originating worldwide.

## Great online features and functionality

The *Tobacco Control* website contains all the content from the print version as well as valuable online features that take advantage of the latest technology.

**Find content quickly** – Sophisticated searching, subject collections, email alerting, RSS feeds and full text links from cited references are all available on the site.
